We will, as a courtesy, bill your insurance company for treatment rendered in our office. All questions regarding your insurance benefits must be addressed to your insurance carrier. All treatment plans are only ESTIMATES of expected payment.

I agree that I am fully responsible for the total payment of all procedures performed in this office. This includes any treatment that may not be a covered service under your specific dental plan. I understand that any estimated portion not covered by insurance is due at the time that services are rendered. I understand that all services rendered and billed to insurance are due to be paid within 60 days of the date of service, regardless of whether or not your insurance company has paid your claim or not. 1% interest per month (12%/yr) will be charged on accounts with balances that exceed 60 days or more.

We are here to assist you in any way possible with any of your questions or concerns. Our goal is to make sure that you have an outstanding experience.
